2019 FLOODS

EMERGENCY RELIEF

2019 Floods

The 2019 Indian floods affected thirteen states; including Kerala, Gujarat, Karnataka, Maharashtra, Madhya Pradesh, Tamil Nadu, Goa, Odisha, Andhra Pradesh, Punjab, Assam and Bihar in July - August 2019. Assam, Kerala and Karnataka were the worst-hit. With your generous donations, Sahayata Trust was able to provide relief to more than 3,200 flood victims across India in 2019. Sahayata Trust's Emergency response team arrived on the scene within 24-48 hours to assess the situation and took remedial measures. With the help of our benefactors, our emergency response team was able to provide kits containing essentials like food, water, medicines and sanitary items.
