SAHAYATA TRUST'S
HOME FOR GIRLS

ABOUT THE ORPHANAGE

Managed entirely by Sahayata Trust, Challenger Home in Moinabad aims to provide shelter, care and holistic education to orphan and destitute girls. At present, there are 24 children living in the orphanage. We are able to provide them with a beautiful home, good clothes, nourishing food and valuable education. They have a large play area and a great school to attend classes. It brings hope to see the children chasing their dreams of becoming police officers, engineers, doctors and much more.

Ayesha Sultana is a Class VII student of Challenger International School and a resident of Challenger Home. Ayesha dreams to grow up and help more people see this beautiful world. She wants to become an eye specialist and treat the poor.

Apart from these children at Challenger Home, Sahayata Trust helps underprivileged students pursue their education in medicine
