DIABETES RESEARCH CENTER & MULTI SPECIALTY HOSPITAL

INDO-US HOSPITAL MALAKPET

INDO-US HOSPITAL

Indo-US Hospital is a multi-specialty hospital founded by the Sahayata Trust in the year 2012. The intention was to serve people who could not afford expensive treatments offered in other multi-specialty hospitals.

SPECIALITIES

Indo-US hospital has a wide range of specialty and super-specialty departments and significant number of consulting specialists who visit the hospital on a regular basis and provide quality consultation for needy patients. The hospital is equipped with the latest equipment to treat complex medical concerns. It also has a dedicated team of technicians who maintain all the facilities to provide seamless patient care.
