# ABOUT CHALLENGER INTERNATIONAL SCHOOL

Challenger International School, Moinabad was set up by Sahayata Trust with an intention to impart quality education supplanted by modern infrastructure.

**VISION:**

The school was established with the aim of fostering wisdom, culture, and morals in the attitudes and behaviours of the young students.

**OBJECTIVE:**

To provide quality education & meaningful learning experiences using innovative tools as well as through the expertise of talented mentors.

**ACADEMICS:**

The modern tools used by the teachers facilitate the students to learn in a holistic manner. Frequent tests are conducted in all subjects, along with term examinations. The abilities of each student are assessed by an academic counseling board headed by the principal. It helps teaching staff in adapting learning processes suited to each student's capacity and ability.

**INFRASTRUCTURE:**

The campus is spread 4000 square yards near a lush green land away from main road with well ventilated classrooms provides peaceful congenial atmosphere for students.

**LABORATORIES:**

The school has well-equipped computer labs, physics, chemistry, botany and zoology laboratories, with UPS back up.

**LIBRARY:**

The school has a DELNET facilitated library (connectivity to all libraries across India) well equipped with books for reference and a comfortable reading room which is functional between 8:00 am to 4:00 pm.

**SMS FACILITY PROVIDED FOR PARENTS:**

Information like the academic performance, attendance, exam schedule, emergency notifications, fee schedules and other relevant information of the children are shared through SMS to keep parents updated about the current activities of the school.

**AUDITORIUM:**

An auditorium with a seating capacity of 500 fitted with multimedia services, an overhead projector and all other necessary utilities.

**TRANSPORT:**

The school has a transport facility with several pick and drop points to help students from distant places reach the school without any difficulty.
