CIVIL SERVICES ACADEMY

Overview

Launched in 2016, Challenger Civil Services Academy Moinabad focuses on providing relevant study material prepared by experts in the field, focusing on priority areas from an examination point of view. They offer a range of training modules from classroom teaching to model examinations on UPSC pattern.

About the course

Challenger Civil Services Academy coaches students for the civil services exam from Class X. Those who have passed Class X are trained for a longer time alongside the intermediate students (Inter+ civil service coaching). For those who have cleared the intermediate level, the academy offers instructions for three years alongside a degree (Degree+ coaching). For graduates, we have a one-year coaching program that helps prepare students for the Indian Administrative Services and other civil service exams.
