20-10-2020 UPDATE

Sahayata Trust rehabilitation plan includes repairing the autos and cabs of the drivers whose source of income has been damaged due to the rains, micro-financing businesses of the shop owners, whose shops have been destroyed, repairing houses, providing food and healthcare to the victims.

The food grains comprises of

- Rice
- Lentils
- Sugar
- Chilli Powder
- Turmeric
- Tamarind
- Oil

The utensil kits consists of

- Silver plates
- Silver spoons
- Silver bowls
- Silver glasses

To carry out the further process of rehabilitation, Sahayata Trust allocated the work to volunteers which consisted of 5 teams comprising of 5 members each. Each team is allocated with different areas to carry out the relief.

Team 1 is led by Mr. Kaleem, who has 200 volunteers working under him and he allocated 5 members to volunteer for Sahayata Trust.

Team 2 is led by Mr. Owais, who has 300 volunteers under his wing

Team 3 is led by Mr. Khaiser, he is an electrician and helping people by repairing their electric appliances free of cost.

Team 4 is led by Mr. Afsar, teacher at one of our units-Indo-US School. He volunteered to support us in the relief process.

Team 5 is led by Mr. Suhail Khan, a student at one of our units-Indo-US School, he and 4 of his friends came forward to support us in carrying out our rehabilitation.

The volunteers team is on the field surveying the respective areas allocated to them to find out the victims who are real in need.

After surveying the volunteers forward all the details to the organization and accordingly the plan will be carried out.
